

# How it Works

## Online Classes with EC-Council's iClass

### **iClass - FlexClass**

**FlexClass is perfect for the learner who isn't able to leave work for any extended amount of time. All classes are delivered in an accelerated fashion with full instructor led engagement.**

**All FlexClasses are scheduled in convenient 3 hour time blocks 2 to 3 times per week.**

### **iClass - iWeek**

**iWeek is similar to traditional instructor led classes. Scheduling is built for 5 straight days of instruction with 6 hour blocks in each day.**

**iWeek is perfect for the learner who wants an accelerated course in the traditional 5 day format but is unable to travel to physically attend the class.**

# FAQ

## **Is iClass a self study course?**

No. iClass is instructor Led training delivered online.

## **How many Instruction Hours are in iClass | FlexClass?**

FlexClass provides the learner with 35 total instruction hours combining Lecture, Labs, and Q&A time. Some self study is recommended due to the fast paced nature of this format.

## **How many Instruction Hours are in iClass | iWeek?**

iWeek provides the learner with 35 total instruction hours combining Lecture, Labs, and Q&A time. iWeek is structured the same as an instructor led class with Lunch and regular breaks

## **Do I get a book with iClass?**

Yes! All iClass Students from both FlexClass and iWeek receive the full version of the book.

## **When is the deadline to register for an iClass?**

All registrations must be received no later than 7 days prior to the start date of the class. This is to allow time for the courseware to be shipped to the student's office or home location prior to commencement of the course.
